and

U.S. Representative John Linder (R-GA)

Representing the FairTax

at the

**SCRAP THE CODE:
National Tax Reform Tour**

A debate of the two leading alternatives to our current tax system:
the flat tax and the FairTax.

Thursday, December 16th from 7:00 - 8:00 p.m.

Wayfarer Inn

121 South River Road

Bedford, New Hampshire

Complimentary light hors d'oeuvres & beverages
will be served immediately following the debate.

The FairTax:

- o lets workers keep their entire paycheck and retirees keep their entire pension;
- o closes all loopholes;
- o frees individuals from ever filing a tax return again;
- o abolishes the IRS and ends all audits of citizens;
- o eliminates all hidden federal taxes;
- o brings accountability to tax policy;
- o lets American-made products fairly compete; and
- o allows every family to buy the basic necessities tax-free.
