DeLay, Linder, Brady, Culberson: Replace federal income taxes with FairTax!

House Majority Leader Tom DeLay (R-Sugar Land) will join Congressmen John Linder (R-Georgia), Kevin Brady (R-The Woodlands), and John Culberson (R-Houston) for a press rally to denounce federal income taxes and call for a fairer, job-creating replacement tax called the FairTax. They will be joined by volunteers from FairTax.org (Americans For Fair Taxation), the Houston-based grassroots organization lobbying nationwide for passage of the FairTax bill (HR 25/S 1493).

Congressman John Linder is the original sponsor of the FairTax bill, which repeals all current federal income taxes – including personal income, gift, estate, capital gains, alternative minimum, Social Security/Medicare, self-employment, and corporate income – and replaces them with a single-rate, retail sales tax on personal consumption of new goods and services.
